A boxplot comparing the number of children for two groups: 'No children' and 'At least one child'. The y-axis represents the number of children, ranging from 0 to 4. The 'No children' group (left) has a median of 0, with a box from 0 to 1 and whiskers from 0 to 2. The 'At least one child' group (right) has a median of 1, with a box from 0 to 2 and whiskers from 0 to 3. Both groups show a distribution of children counts from 0 to 4, with some outliers.

Group	Min	Q1	Median	Q3	Max	Outliers
No children	0	0	0	1	2	0, 2, 3, 4
At least one child	0	0	1	2	3	0, 1, 2, 3, 4
